- Translation

Content Development Services include:

- Content writing/repurposing
- Manuscript editing
- Copyediting
- Cold reads/fact-checking

Art & Design

Services include:

- Prototype development
- Cover, interior, feature design
- Design review
- Photo research
- Custom illustration
- Photo and art database mgmt.
- Image cropping/manipulation

Production

Services include:

- Template creation
- Page layout
- Proofreading/QC
- XML tagging
- ePub conversion
- File archiving
- Digital production

Project Management

Services include:

- Programme management
- Workflow development
- Project documentation
- Project oversight
- Status reporting
- Budget management
- Schedule management

Westchester Education Services comprises a US- and Europe-based team of educational and ELT experts. It is supported by both onshore and offshore production resources to meet educational publishers' needs. Employee-owned Westchester's 50-year history of delivering excellence is the mainstay of this team's goals.
